

THE BELOITER

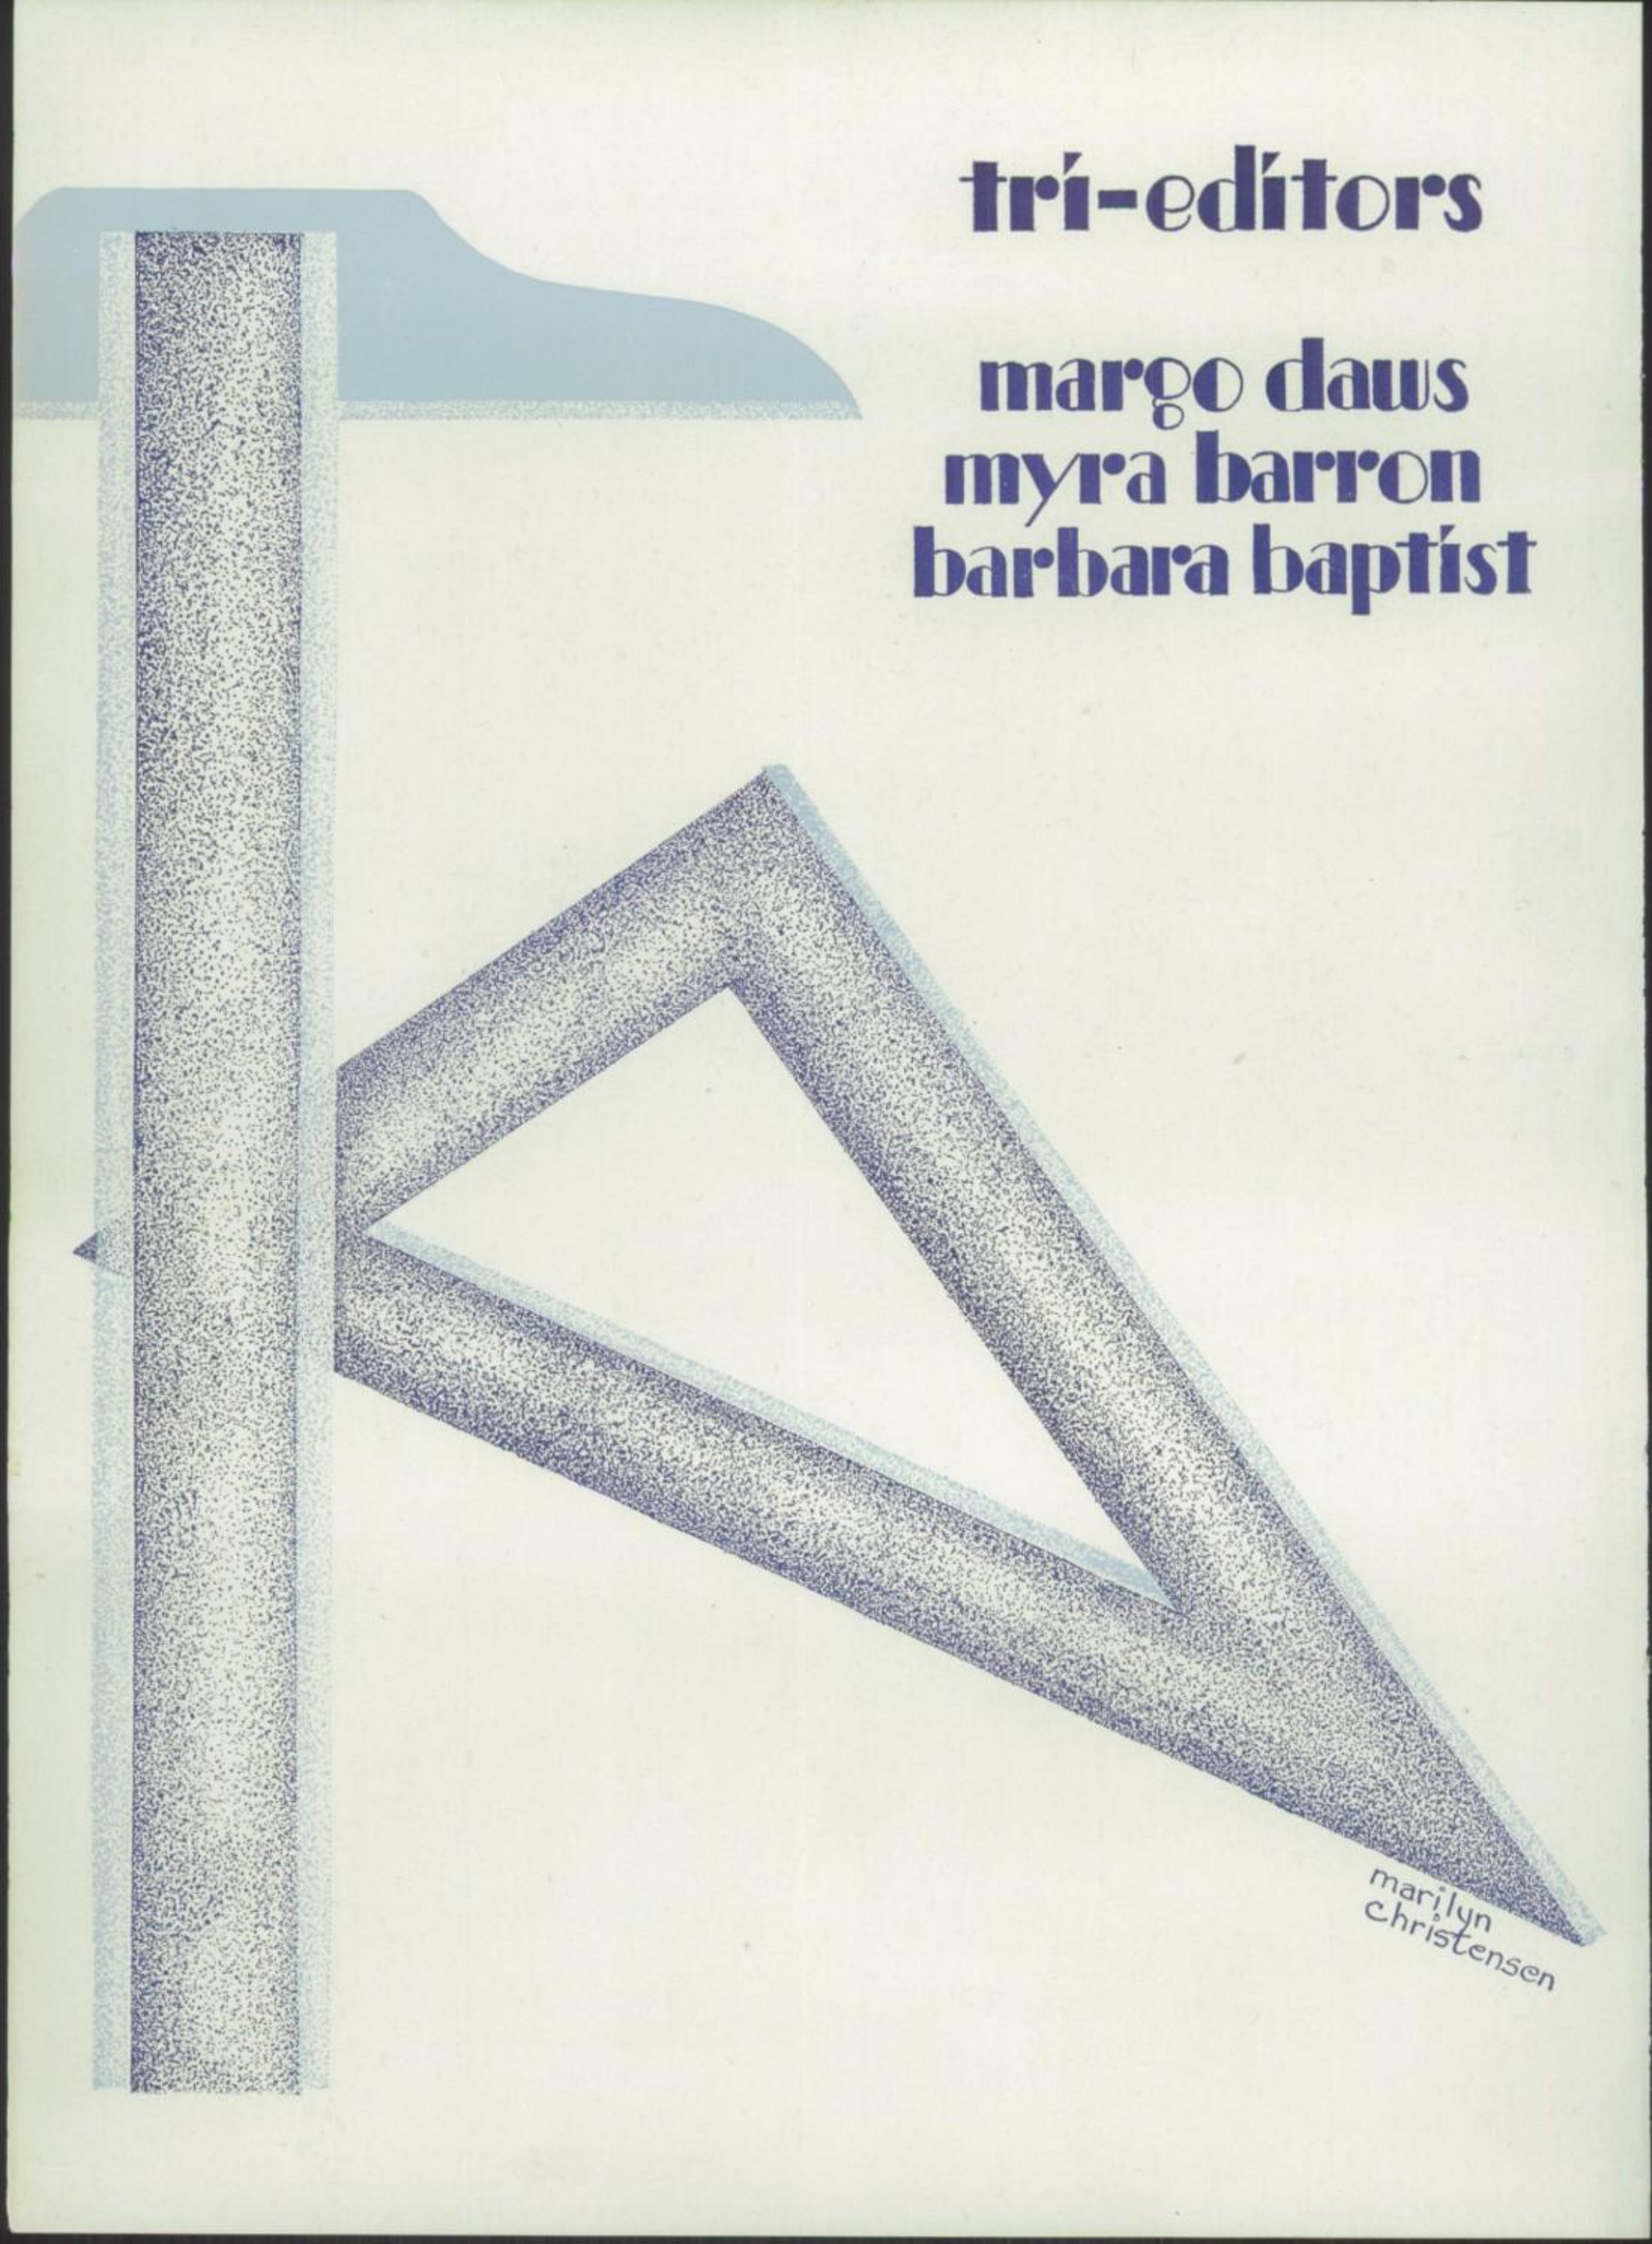

1951

An abstract geometric design on the left side of the cover. It features a vertical bar with a textured, stippled pattern. To the right of the bar is a large, stylized triangle, also with a stippled texture, pointing downwards. The background is a light, solid color.

THE 1951 BELOITER

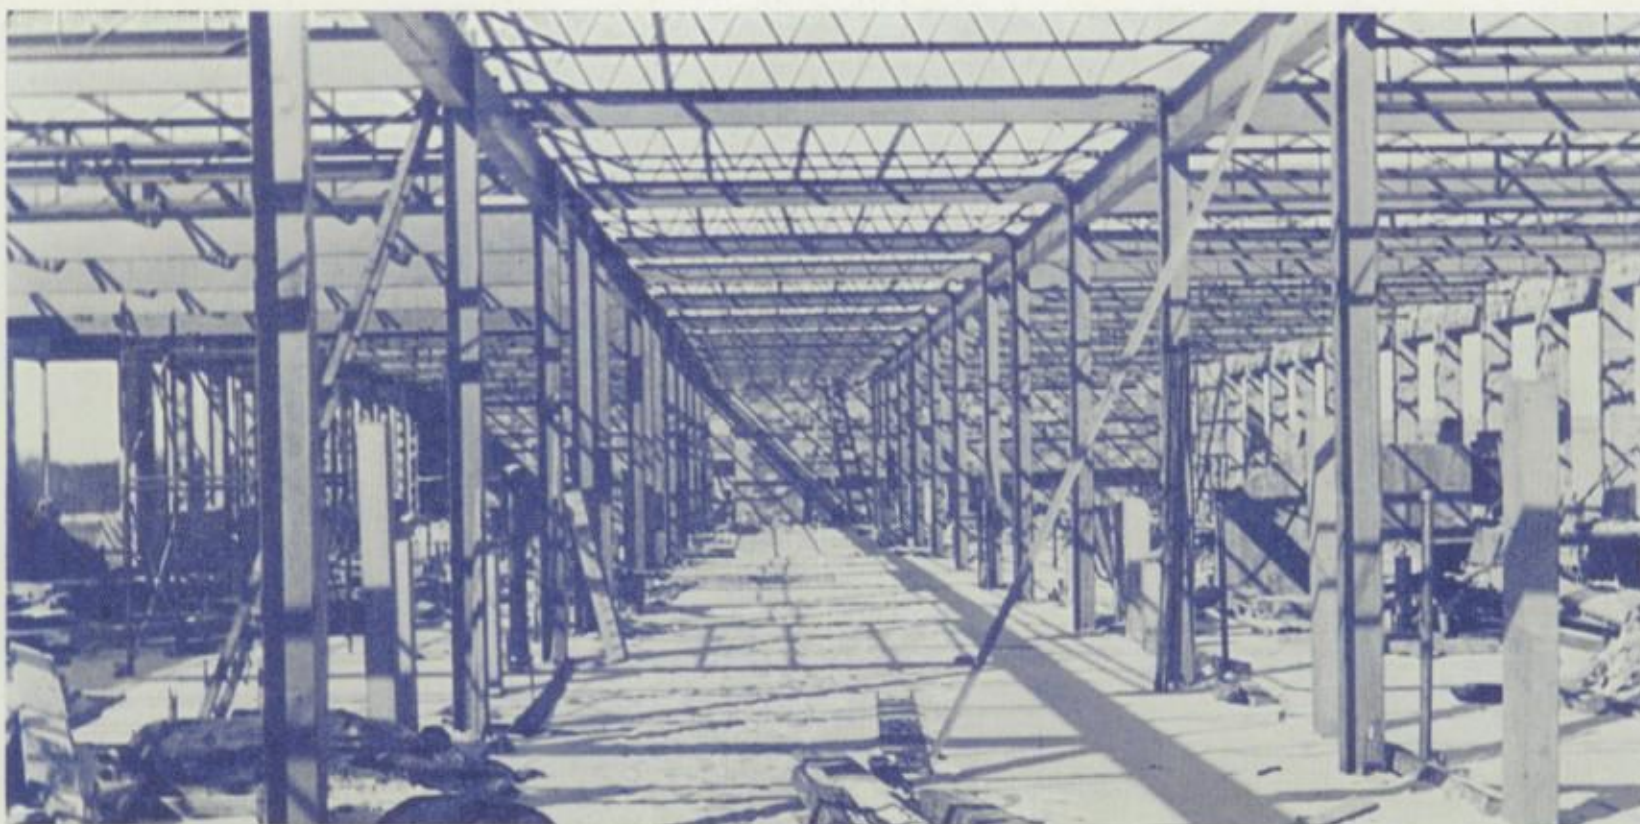

Marilyn Singleton

dedication

To you, our Mothers and Fathers; our friends and neighbors
—The Citizens of Beloit! We dedicate the 1951 BELOITER!

Your dream and our dream has at last come true! Beloit's new High School is finished, and it is to you with your undaunted effort that we owe it all. All the years you worked, all the sacrifices you made, all the grief and discouragement as time after time your dreams were shattered, are over now. IT'S HERE! IT'S REAL! IT'S BEAUTIFUL!

On the threshold of a new era in Beloit's educational history, we, your young people, thank you for the reality of the school you have worked so hard to achieve; hoped so long to attain; and dreamed about for so many years.

foreword

Because this book will be the first BELOITER to be published following the completion of our new building, we, the class of 1951, have depicted this first BELOITER published there as an introductory volume. Just as it takes many people to build a new building such as ours, so, are many needed to run an effective school system.

In any sort of system, plans must be made before anything can run smoothly. In erecting a building, the Architects must first draw the plans. Our Administration and the School Board must also draw plans for the school year even though the plans be of a different sort. Therefore our staff has depicted the Administration as our Architects. Along with this theme we have called our Faculty our Draftsmen who are putting into effect the plans the Architects have made. Carrying out the plans of the draftsmen are Contractors, Sub-Contractors, and Apprentices and these are our students. Every building always needs some sort of Interior Decorations and for our building clubs play a vital part.

May we, the class of 1951, through this annual, keep forever those unforgettable memories of our school days, both from the Old High School and in the New!

TO THE CLASS OF 1951

Congratulations on your successful completion of the requirements of the course of study in Beloit High School. Remember, however, that while your diploma confers upon you certain privileges and perhaps even rights, your future retention of these privileges and rights depends upon the high standards of work and citizenship which you set for yourselves.

Congratulations to you also for being the first senior class to graduate from our fine new Memorial High School building. Although your stay in the new building has been limited to a few short weeks, you have experienced the uplift in standards, attitudes, and appreciation which can come from living and working in beautiful surroundings. May the lesson of this experience ever impress upon you the importance of always striving to the utmost to make the conditions and surroundings of your lives attractive and beautiful.

special services

Top row: Bob Aimers, Mrs. Banker, Ray Toedt. Center row: Marcus Winchester, Don Folts, Harry Kreider. Bottom row: Clarence Cushman, Milton Oestreich, Ralph Whipple.

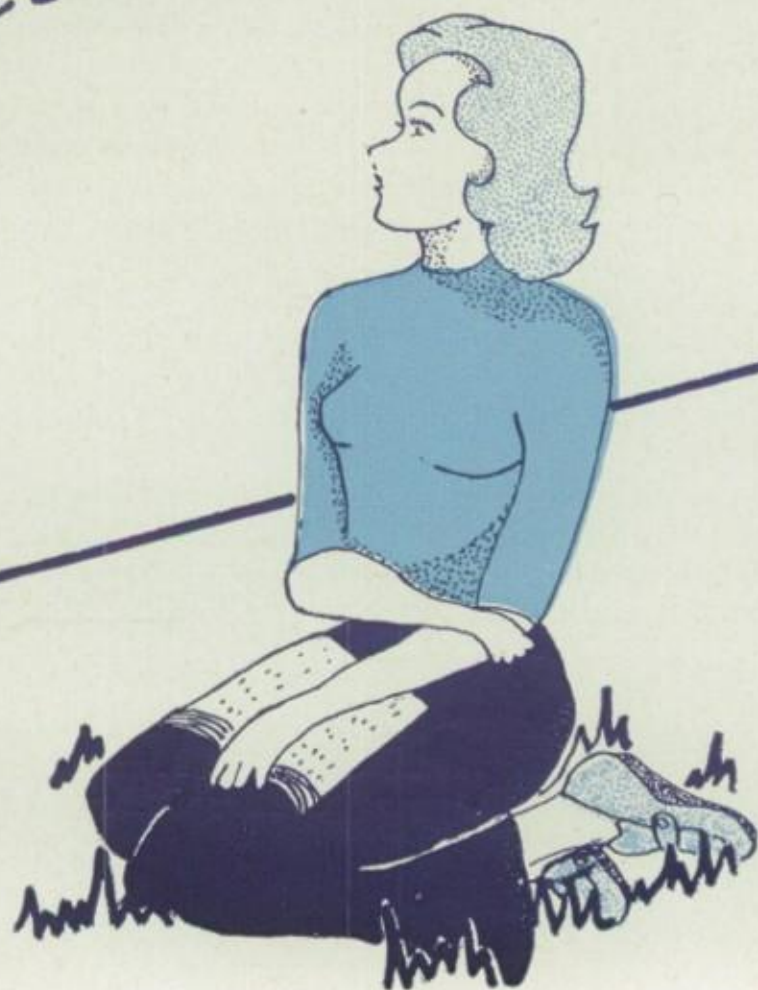

We owe a debt of thanks to our servicemen. These are the men who do the repairing, cleaning, oiling, and take care of the other things that go wrong around the building. When our lockers are jammed, when the electricity goes off, when a pipe leaks, or when something breaks or refuses to work, they always answer our cries for help.

To these loyal workers we extend our greatest appreciation!

YVONNE OLSON

valedictorian

DONNA MARIE ZIMMERMAN

salutatorian

NICKOLAS J. KRETSOS

VALEDICTORIAN

Valedictorian of the Class of 1951 is Donna Marie Zimmerman. She is the daughter of Mr. and Mrs. Emmett Zimmerman, 1232 Elm Street. She attended Lincoln Junior High School. During the four-year period normally considered as high school studies Donna earned a straight "A" average. In addition she has been a member of the National Honor Society both her junior and senior year, has participated in debate, Junior Theater, Forensics, Audio-Visual work, Photography Club, Art Club and also was active on the Beloiters and Increscents.

Donna was especially active in music work, having played three years with the orchestra and two years with the band. While a member of the orchestra she was librarian in the junior and senior year, as well as acting assistant director of that group during her senior year.

She plans to enter college next fall and desires to follow the teaching profession for her career.

SALUTATORIAN

The Salutatorian of the Class of 1951 is Nickolas J. Kretsos, who is the son of Mr. and Mrs. Xenophon L. Kretsos of 740 Pleasant Street. Nick, as he is more familiarly known by his many friends, also received an "A" average, having been close behind the Valedictorian. He came to high school from Roosevelt Junior High School.

Nick has been active in Student Government, Senior Hi-Y, and in Junior Theater, of which he was Treasurer in his senior year. During his junior year he was elected to Badger Boys State, a very distinguished honor, permitting him to attend the annual Boys State Convention at Ripon, Wisconsin.

Nick plans to attend college next fall and is interested in the field of Mechanical Engineering.

OTHER RANKING GRADUATES

In addition to the two top ranking graduates, the following students comprise the 10 highest of their class: Number indicates their relative rank in the class) 3. Myra Barron. 4. Barbara Baptist. 5. Louise Krussell. 6. Nettie Steinmetz. 7. Alice Wileman. 8. Margo Daws. 9. Wayne Helfrich. 10. Joan Conroy.

SENIOR CLASS OFFICERS

Left to right: Vice President, George Merchant; Secretary-Treasurer, Nancy Bennett; President, Harry Wong

We, the class of 1951, are proud of the record we are leaving. We entered Beloit High School in the fall of 1948, as a group of happy and excited sophs, and found everything new and different. There were Proms, pep sessions, assemblies, a school newspaper, elections, year books—'n just everything!

We elected very efficient Sophomore officers President, Barney Neahaus; Vice President, George Merchant; and Secretary-Treasurer, Margo Daws. Our first Homecoming was a big event, and we were really thrilled when we had the opportunity to visit the Chicago zoo. The first "Sock Hop" made quite an impression on us — gosh, we didn't know there were such things!

In our Junior year, we chose Harry Wong, Carl Schuler, and Nancy Bennett to lead us. That year we chose our class rings, which made us feel as though we were really getting up in the world! One of the memorable events was the Junior-Senior Prom, where Carl and Barb reined as our King and Queen. The History classes also attended the Railroad Fair, which we thought was quite the thing!

Harry Wong, George Merchant, and Nancy Bennett were chosen as our Senior officers, and our advisors were Miss Ritenour, Mrs. Teska and Mr. Nee. Barb Bowen and Don Bolen were chosen as Chief Hall Monitors. "Judy" and "Jackie" edited the *Increscent*, and Myra Barron, Barbara Baptist, and Margo Daws edited the *BELOITER*, aided by a majority of seniors. An additional honor was added to our record with the presentation of our senior class play, "January Thaw." Our last memorable formal, the Diploma Dip, was a huge success. The biggest and best thrill of our Senior year, however, was that of moving into our new Memorial High School. All we could possibly say is, "It's a dream we have had for a long time—a dream that has at last come true!"

Our Senior year will always have a soft spot in our hearts, not only because it was our last year, but because it was the closing chapter to a book filled with happiness!

“january thaw”

“January Thaw” was an extremely enjoyable comedy, and as directed by Mrs. Elizabeth Reinholz it was performed with great enthusiasm!

The whole basis of the comedy was one of contrasts. The clashes between the two families and their friends make for some very nice comical situations. There is a New York writer and his family who have bought a Connecticut farm, and the former occupants, typical old fashioned New Englanders, who have a claim on the house too, and move right in. Before the two can reach an understanding and a middle ground, there are many funny conflicts between modern and old fashioned ideas.

Comedy honors went to the hilarious team of Jonathan and Mathilda Rockwood, played by Wayne Wichelt and Donna Zimmerman. They not only drawled their parts to perfection, but looked just right too. They were almost matched by Barney Neahaus, playing their bearded Uncle Walter. Their worthless son, Matt was played by James Dix.

The love interest in the play was furnished by Bill Rifenbery as George and Barbara Baptist as Barbara. George thrilled the audience by really giving Barbara a Kiss!

Kenneth McComb played the harrassed, but loveable father, and Ruth Vosburgh, his flighty wife. The two little blue-jeaned, pigtailed daughters were played by Marion Laut and Ann Soper. Barbara Merlet was the maid who moved out when the Rockwoods came, and Daniel Flynn played the slow moving lawyer, who had to rush home and listen to Gabriel Heatter! Larry Rust was the local constable and retrieved his boots by the mysterious hand! Pat Carroll was his Deputy.

Many of the properties used in “January Thaw” were genuine antiques, which helped to give it an authentic New England Atmosphere. Old lamps, churns, spice boxes and pepper mills were used.

Both nights of the play were huge successes having between 700 and 800 people each night.

Everyone on both the cast and production staff enjoyed working on the play. It was an experience all of us will remember, for a long time to come!

JUNIOR CLASS OFFICERS

President, Danny Green; Vice President, Terry Polaski; Secretary, Pat Corbit

Here we are, the class in the middle, one eventful year behind and a promising year ahead of us. Our Junior year has been one we will all remember. In the early part of the school year we elected our class officers: President Danny Green, Vice President Terry Polaski, and Secretary-Treasurer Pat Corbit.

Next came homecoming, which we will all remember! So many clever floats by our ingenious class. Then we chose our class rings, how proud we were to wear them. They will bring back many memories. We won't soon forget the wonderful formals and dances, the school carnival and the Sock-Hop. There are so many things to remember as part of our Junior year!

We will always remember the eventful day on which we left West Grand Avenue and moved to Fourth Street. We all felt a little sad to leave the memories of the old building; the spud-nut shop, the Annex, and the familiar halls. But we are an optimistic class and we always look to the bright side of things. Something new is always interesting—and a dream like our new school is sure to be topic of interest to us until we graduate.

Now we will say good-bye to the seniors whose places we will be taking next year. We will be the first full-year class to graduate from the new school. We hope to make it a fully wonderful and memorable year.

“our dreams come true!”

Students for many years have hoped and dreamed for a New High School, yet our Senior Class is the first to see it really come true. For on March 27, 1951, 1200 students moved into the New B.H.S. on Fourth Street.

The new high school is shaped like a horseshoe, with two wings on each side of the building.

The extra noises in the building are almost entirely eliminated because of the wonderful sound proofing of the floors, ceilings and rooms.

The lockers are built for two people, and are divided into two parts by a partition which gives each student ample room for his books and outside clothing. The combination locks in the lockers are built right into the door of the locker, and can be changed easily every year, if it is necessary.

Our new library is certainly a welcome change from the old one. It is one long room with book shelves over-looking Fourth Street. And on both ends of the library are small committee rooms where groups can work with the library material without disturbing the other readers.

During three weeks after our move in, “Tex” and “Herb”, representatives of the Auditorium seating company, came to install our seats, curtains and lighting in our Big, New Auditorium and our Little Theatre. This year our Senior Class Play, “January Thaw” will really have the chance to become a professional organization.

The Art department has three rooms, instead of just one! There is a main Art room which over-looks the river so that it makes a wonderful place to sketch and then another room on each side. One will be used for craft classes and a pottery kiln and the other a storeroom for all Art Supplies.

The big gym has the largest sliding door in this area and separates the boys and girls side of the gym. Both girls and boys have a separate smaller gym and locker and shower rooms!

Our new school is really a dream come true !!!

SOPHOMORE CLASS OFFICERS

Vice-Pres., Larry Williams; President, Frank Wong. Sec'y-Treas., Pat Maryott

On September first, nineteen hundred and fifty, about four hundred green girls and boys dubiously entered the old Beloit High School as Sophomores. The promise of being the first class of Sophomores to go into the new High School boosted our morale. This realization finally came to pass on March 27, 1951 after a long, hopeful wait. By this time we were no greener than the other classes, and with much pride took our places in the many activities housed in super new quarters.

Our accomplishments began in the old school building, the annex, and Columbia Hall. Those days are over, but the memory lingers on. Sophomores comprise about one-third of Beloit's outstanding High School Band. We also took our part in athletics and the many school clubs. Our officers and representatives helped make such projects as Homecoming, the School Carnival, and the school social affairs, a success.

The big half of our High School career is ahead of us. We will have a chance to prove ourselves, as the Class of '51 has done, in the departments handled mostly by the upperclassmen—the Beloiters, Increscent, Forensics, and Athletics.

Good luck to the Senior Class of 1951, the first to graduate from the new High School.

homecoming

For several weeks before October 13, there was an undercurrent of excitement as the preparations for Homecoming got under way. Clever floats were being worked out, and voting for the queen and her court took place.

The eventful day started with a "PEP" assembly to arouse everyone's enthusiasm. At the dismissal of school, a parade of some twenty floats, led by the band, R.O.T.C., cheerleaders, the team, and the queen and her court, proceeded through town. The queen and court, team, and cheerleaders were carried through town in convertibles.

The crowning of the queen took place in front of a large crowd before the Beloit-Madison East game. Nancy Bennett was crowned queen by the president of the Senior class, Harry Wong, while her court, composed of Cynthia Freeman, Marjorie Soper, Carol Jean Sweeny, Pat Corbit, Pat Maryott, and Pat Larson, watched approvingly.

The Royalty were escorted to their places of honor for the evening by the McNeel Rifles.

Following the crowning of the queen, the floats were judged by Mrs. Bert Waterman, Mrs. Merchant, Father Johnson, and Superintendent Johnston, the honors going to Future Farmers' "Sportsman-Ship", the "Funeral Procession" by homeroom 5, and "Pulling For You" presented by Columbia Hall.

new memorial high school "open house!"

Proud of our "New High School"? Why of course! For three days, April 23, 24, and 25 the first open house was held.

There was a great deal of preparation made before hand, in order that all might be made as convenient as possible for the visiting public. Purple arrows were placed throughout the building outlining the course of the tour. On each of the classroom doors was placed a poster giving the classroom subject and teacher's name; a contribution by the art department. Also, as an aid to the spectators, the students elected to the National Honor Society this year served as guides. They were stationed at various places in order to answer questions or give further directions.

All of the show cases held displays, prepared by the various departments, such as Increscent, Beloit, Art, and R.O.T.C.

The attendance for the event was far above our expectations. There was a steady increase each night, with Monday night bringing 1105, Tuesday 2352, and Wednesday topping the scale with 3090; a total of 6547 visitors.

Now the citizens of Beloit, as well as the students, have given their approval of the "NEW BELOIT SENIOR HIGH SCHOOL."

student council in action

The Highlights of the year for the student council have been the making of a student directory containing the names of every student in school arranged alphabetically by classes, Sophomore, Junior, and Senior. They were able to do this with the co-operation of the Commercial Department.

An invitation was extended to the State Student Council group to hold the Annual Convention of student councils in Beloit in the fall. It was accepted and there will be about three-hundred (300) students from all over the state.

The Junior-Senior Prom was planned for and pronounced a success by the council.

Election of officers was held during the week of May 7th. Danny Green was elected President; Fred Gobel, Vice-President and Jackie Stevens, Secretary-Treasurer.

Others running for office were: Tom Means, Roger Cary for President; Tarzan Honor, Donn Johnson for Vice-President; and Carol Jean Sweeney, Pat Corbit for Secretary-Treasurer.

The Beloit High School Student Council had its most outstanding year and was proud of its accomplishments in many areas. The Council received national recognition from the National Association of Student Councils for its work in inter-school relationships between Beloit and Janesville. Next year, the Wisconsin Association of Student Councils has chosen Beloit for its State Convention and members of our council will take the leading role in organizing the meeting.

The Student Council has sponsored many major activities affecting students throughout the high school. The Homecoming, the Jr.-Sr. Prom, and many dances held after the games were guided by the council. We also participated in several Big Eight Conferences that stressed good sportsmanship and at various times invited representatives of other student councils to appear at our assemblies.

The Sunshine Committee was organized for the purpose of sending cards and flowers to students who are seriously ill, or whose families are bereaved. The Welcoming Committee was organized to make new students feel at home and to guide visitors around the New High School Building. The Calendar Committee helped to schedule all the school's major events. The Council sponsored a project to develop slides showing the work of the various Student Council committees.

One of the educational innovations undertaken by the Council was the establishment of a series of Honor Study Halls. These Honor Study Halls are still in an experimental stage, but have attracted wide attention in spite of their brief existence.

One of the most successful projects of the year was the production of a Student Directory which listed the names, addresses, and telephone numbers of the students according to classes. These directories proved to be very popular and it is hoped that they will be published annually.

All during this year the Student Hand Book Committee was hard at work preparing a Hand Book for the next school year. It will be ready for publication sometime in the Fall.

The Student Council has tried its best to be a representative body acting democratically to serve the students.

Row I—J. Neudorff, J. Thomas, R. Vosburgh, M. Barron, B. Babcock, M. Daws, M. Christensen, D. Lippens, K. Michelke. Row II—A. McMaster, J. Keefer, M. Lee, P. Carroll, D. Riedell, B. Rifenberg, J. Spindler, J. Walsh, N. Gilmour.

The outstanding journalists of Beloit High School have the honor of belonging to an international honorary society called the Quill and Scroll. The requirements for eligibility in this organization are about the same as the National Honor Society. Students must have "B" grades or better; they must have sixty inches or more of published material or have done superior work in editing or business management; they must be of junior or senior classification; and they must be recommended by the supervisor or by the committee governing publications. The purpose of the club is to encourage and reward individual achievement in journalism.

Those elected to the Quill and Scroll from the Beloit Staff; Barbara Baptist, Myra Barron, Margo Daws, Audrey McMaster, Ruth Vosburgh, Bonnie Babcock, Marilyn Christensen, Pat Carroll, Bill Rifenberg, Deloris Lippens.

Those students elected from the Increscent Staff are as follows: Nancy Gilmour, Mary Lee, Judy Keefer, Karla Michelke, Judy Neudorff, Don Riedell, June Thomas, Jane Walsh.

One can hardly realize the amount of time that is spent by one person in publishing the *Beloiter* until he or she has had the opportunity to work at it. A very efficient and qualified staff is always necessary, and that is just what this year's staff has been. Under the capable leadership of the three Co-Editors, Barbara Baptist, Myra Barron, and Margo Daws, the staff has been kept busy at their work. They have done a fine job of seeing to the tremendous and difficult job of publishing an annual as large as ours. Mr. Elmer Terwedow has provided immeasurable aid and direction in serving as advisor over the staff.

Special thanks is to be given to Mr. Terwedow, Rockford Illustrating Company, the *Beloit Daily News*, and the National Book Binding Company of Stevens Point. The *Beloiter* would have been at a great loss without them.

Once again much effort and hard work was put into our school paper. A tireless staff, made up of students who like journalistic work, put out a paper that all the student body looked forward to every other Friday morning. This year has been very different from other years due to the fact that a new method for printing the paper was adopted. This enabled more students to take part in the publication of the paper. Reporters, always on their toes for "dope and dirt" gathered the facts and the advanced typing students typed the articles. From there, the typewritten material was posted on large sheets. The printing classes and art classes also had a hand in turning out a fine paper by printing the headlines and drawing cartoons and illustrations. Much credit must be given to the editors, Judy Keefer and Jackie Spindler, who spent long, hard hours preparing the paper for print. Mr. Michna, Mrs. Teska, and Mr. Oberg once again directed the work of the Increscent and must be commended for their fine leadership and tireless effort.

Audio-Visual is composed of a group of students who have become skilled operators of the motion projectors, which are used for classroom instruction. A few years ago the group was restricted to only a few boys, but the audio-visual group has become popular for everyone, and girls as well as boys now work on this outside project.

The very nature of the club indicates that they have no special meeting date, but rather, the assignments are given to the various operators.

The High School Art Club is made up of 35 active members. They meet on the second and fourth Monday nights in the high school art room with additional Christmas workshop meetings during the month of December. A "Get Acquainted" party was held for a starter. A trip to Norwegian cottage near the river, a talk on unusual Christmas tree ornaments, a demonstration in portrait painting by Kenneth Peterson, and a trip to Chicago to see the world famous paintings from Vienna, Austria, and a sketching picnic were some of the highlights of the year.

"All the world's a stage." To the members of Junior Theatre this expression is meaningful for theirs is a school of dreams.

This is not only the largest club in school, but perhaps the most active with its various activities. Since everyone cannot participate in all the activities at once, certain groups join in all sorts of events held during the year. Among these events were the one-act plays that the members put on at church groups and assemblies.

Forensics also play an important part in this club, and the competition for the awards is very keen. Through Mrs. Reinholz, much talent, formerly hidden, is brought to light, and those interested in dramatics may develop any field which interests them. On the second Monday of every month meetings are held. Programs at these meetings are usually furnished by the members themselves and sometimes by outside organizations. The two events held each year are the picnic, at which initiation of new members takes place, and the talent show in the spring, which is usually given for the school assemblies.

senior class play

The Senior class plus the new auditorium made *January Thaw* a real success. Tryouts were held March 12 and 13 in the Main Room of the old school. Mrs. Reinholz, director of the play, with the aid of faculty members Mr. Pink, Miss Crawford, and Mr. Alofs decided on the following cast: Freida, Barbara Merlett; Mr. Gage, Ken McComb; Sarah, Ann Soper; Paula, Marion Laut; Mrs. Gage, Ruth Vosburgh; Barbara, Barbara Baptist; George, Bill Rifenberg; Mr. Rockwood, Wayne Wichelt; Mrs. Rockwood, Donna Zimmerman; Mr. Loomis, Danny Flynn; Uncle Walter, Bernard Neahaus; Matt Rockwood, Jim Dix; Carson, Larry Rust; and the Constable, Pat Carroll. Judy Keefer was the student director and understudy.

The play takes place in an old New England home which has been redecorated by the Gages from New York. Soon Mr. and Mrs. Rockwood and their son arrive and move in stating that they have the right to stay in the house as long as they live. As the play progresses we find the Gages and Rockwoods sharing the house but not peaceably. Winter sets in and the Gages find their modern conveniences freezing and their tempers short. To add to the confusion Matt, Barbara and George form an interesting triangle. All turns out for the best of course, the Gages and Rockwoods make peace, and George and Barbara kiss and make up.

Many interested Seniors contributed their talents by working on the production staff. Harry Wong handled the work of the Business Manager. Pauline Zimmerman served as the stage manager. Other Committee Chairman were: House manager Roger Helser, Tickets, Margie Field; Publicity, Jacqueline Spindler; Props, Betty Kellor; Large props, Roger Babcock; Costumes, Margo Daws; Sound effects, Jim Popson; Make-up, Peggy Dwyer; Lighting, Alan Pontius; and Scenery, Kathryn Day and Doris Guetzke.

The Future Farmers of America, or F.F.A. as it is commonly known, is the national organization of, by and for boys studying vocational agriculture in public secondary schools under the provisions of the National Vocational Education Acts.

The F.F.A. is composed of chartered State associations which, in turn, are made up of local chapters situated in high schools having departments of vocational agriculture. The boys enrolled in such courses constitute its active membership but provisions are also made for associate and honorary memberships. Membership is entirely voluntary.

Beloit Chapter of the Future Farmers of America has an enrollment of 38 members for the 1950-51 school year. The chapter was represented at the Annual State Judging Contest at Madison, Wisconsin on April 13, 1951. Two teams, Crops Judging and Dairy Cattle Judging competed with 100 Schools for top honors. The winners of these events will be announced at a later date.

Summer Activities for the F.F.A. members include the exhibiting of their projects at the state, county, and international shows and fairs. Several members are planning to show their beef, swine and horses at these shows.

A father and son banquet will close the current year F.F.A. Activities.

"Johnny on the Spot" may be an appropriate title for what is usually known as the hall monitor. Whether it be an important errand, supervision of stairway traffic, checking of hall passes, direction of lost and found articles, assistance to visitors and new students, or general service, the monitors perform a valuable service to their school.

The monitor's posts are located at strategic points in the halls of the building. A student desk is available so that studying is possible when not actually busy with special duties. The new Beloit High School building requires about eight monitors per school hour to adequately provide the services needed for the smooth functioning of the school. All of the students serving at present are volunteers and many have foregone other extra-curricular activities in order that they could render this service to the faculty and student body.

The purpose of Hi-Y is to create, maintain, and extend throughout the school and community high standards of Christian character. The group participated in many and varied social activities. The first event was the annual Homecoming dance and also the Janesville Dance. One of the most colorful socials was the annual Christmas Formal which was carried out successfully. The theme was "Mistletoe Frolic" and the decorations were carried out with that in mind. In the spring the Hi-Y prepared the annual Sock Hop Dance. Every year a \$50.00 scholarship is given to the outstanding boy in the Senior class and also a Loving Cup for citizenship.

Interclub is a council composed of the officers of all the Beloit and South Beloit High School Y-Teens clubs. The council meets once a month on a Thursday night for a supper and business meeting.

The purpose of Interclub is to act as a co-ordinator for the activities of the various Y-Teens groups and to help them in any way possible. This club and its members are responsible for plans for joint social events.

Each year the club sponsors the Sophomore Tea in the Fall to open the annual Roll Call Week, and the Senior Farewell at the close of the school year. Another annual event handled by the Interclub members is the Y-Teens Children's Play. This year's play, "Cinderella," was presented on March 10. The proceeds from the play go toward the scholarship fund and the summer camp fund. Other special projects this year included the sale of Christmas cards and the collection of money in order to send candy to Austria under the "Chocolate for Christmas" program, headed in Beloit by Margo Daws.

The Senior Y-Teens again closed a successful year. A few highlights of the year were the Sophomore Tea, the Football Banquet, Hanging of the Greens, and the Y-Teens play. Two of the projects of the year were packing boxes of candy for foreign countries and the bake sale. One of the most interesting programs of the year was slides shown by Eleanor Alvung on her trip to Europe. The members made up and sent a Thanksgiving basket to a needy family. The year ended with the traditional Senior Farewell.

Members of the Junior Y-Teens Club started the year off right by helping the Seniors in the sponsoring of the annual Sophomore Tea and the Recognition "Hanging of the Greens" ceremony and took part in "Cinderella," the play given for children this year.

In line with the theme of the club, "to grow in understanding," a guest speaker, originally from Iraq, spoke about the geography of his homeland and of the customs of his people. He also answered questions asked by the group. A "Kome Klean" party was held, at which soap was collected and was sent overseas. Y-Teen hats and Christmas cards were also sold.

As the final event of the year the club assisted in the planning of the Senior Farewell.

The Sophomore Y-Teens held their first meeting on September 19, 1950. At this time the officers were chosen and an admission fee of fifty cents was collected from the members. It was decided that the purpose of the club would be learning how to conduct one's self in a social group, and how to associate with girls in the same age group.

The club has participated in several events this year. Among them is the annual "Hanging of the Greens." For Thanksgiving and Christmas the Sophomore Y-Teens gave a basket of food to a needy family.

A bi-weekly meeting is held on Tuesday nights at the Y.W.C.A. Each time they meet they arrange some type of entertainment. Some of the programs this year have consisted of movies taken by certain individuals and guest speakers to talk on subjects which are of greatest interest to high school girls.

With the help and advice of the advisors, Miss Evelyn Jones, Miss Jean Howard, and Miss Betty Bingham, the club had a very successful year in every respect.

ADVISOR *Charlotte Eckes*

The three V's, vim, vigor, and vitality, are the words that best describe our cheerleaders. They have done an excellent job of portraying good sportsmanship and attitudes. Their leadership in cheering in the assemblies and games has helped our team on the road to many victories. Bonnie Rogers is the only one who has been with us more than a year. The rest of the squad consists of Sandra Mason, who is also captain, Barbara Tuck, Beverly Nelson, and Jean Sorensen. They meet at 3:45 p.m. on Monday's for a practice session, under the adviso-ship of Miss Charlotte Eckes.

ADVISORS Mr. Rensberger, Mr. Currier,
Mr. Wittich

The Beloit B-club is composed of all boys who have won athletic awards each year and also have lived up to the constitution of the club by not missing more than three consecutive meetings.

B-club is one of the largest clubs in school with about 65 members.

One of the main functions of the club is to sell programs for all football and basketball games and also the regional and sectional tournaments.

A new function this year was the providing of milk and donuts following all home games for the home and visiting teams. This was efficiently handled by Bob Borgerding and Jim Finnegan. We also provided a welcoming committee to meet the visiting teams and show them where to go.

The program committee headed by "Pud" Merchant provided a variety of entertainment all thru the year, this included movies, games and refreshments following the regular business meetings.

We are now planning to purchase shields for last year's conference champion track team members, also gold medals for Bill Ballou and Don Bolin for all-conference football, and Don Toedt, Russ Hanson for basketball, Norman Edwards, George Ruppert and Bob Allen for wrestling.

We are going to buy a whirlpool bath for the athletic department with last year's club donation and with this year's club donation we are planning to purchase a movie camera to be used to take pictures of the football and basketball games to aid the coaches and teams.

 VICE-PRESIDENT.....Bob Tamblingson
 SECRETARY..... Nellie Marshall
 TREASURER Jobe Payne
 ADVISOR Miss Leona Seaver

Under the leadership of Miss Leona Seaver, the Jr. Red Cross completed a number of useful activities during the past year.

Betty Kellor and Bob Tamblingson were elected as representatives from Beloit High School, to attend the Red Cross Training Center at Oconomowoc. The course was composed of informative knowledge of the history and purpose of the Red Cross.

At Christmas time 250 socks of candy were sent to the Veterans Hospital at Waukesha. The Art Classes made colorful tray favors that were sent to the Beloit Municipal hospital. The members brought and wrapped gifts for the Child Center at Sparta for Christmas.

The annual Roll Call carried on by the club amounted to \$42.88 this year in Beloit High School.

ADVISOR Mrs. Reinholz

It seems the talented speakers of Beloit High School all went out for forensics this year. The students that are interested may enter into one of seven fields, extemporaneous speaking, extemporaneous reading, original oratory, non original oratory, serious declamation, humorous declamation, and four minute speeches. In the fall, a forensic recital was held to give the people interested some practice and experience. Then in the Spring a local contest was held with the winners going to a League Contest. The winners of this contest go on to the Sectional Contest and then to the Wisconsin Forensic League Contest. This year our high school had winners in the state contest; Margo Daws and Barbara Baptist, Serious Declamation. In the Humorous Declamations, the winners were Jackie Stevens and Fred Gobel. We hope to see the participants in the years to come as successful as the students this year.

PRESIDENT *Barbara Baptist*
VICE-PRESIDENT *Dorla Thurow*
SEC'Y-TREAS. *Margo Daws*

The National Forensic Society is composed of high school students who have done outstanding work in Declamation, Orations, Extemporaneous Speaking and Reading. All high school students have the opportunity of meeting the qualifications for membership. Members must have earned twenty points in forensics.

Members are allowed to wear the National Forensic League key or pin after they have earned their first twenty points. When they have earned fifty points, an emerald is set in the key or pin, signifying the Degree of Honor. Dorla Thurow and Margo Daws are entitled to this degree.

When a hundred points are earned the member is entitled to wear the sapphire for the Degree of Excellence. Barbara Baptist earned this degree.

Beloit High School Students who joined the National Forensic League this year are the following: Margo Daws, Jackie Stevens, Ann Soper, Ruth Vosburgh, and Audrey McMaster.

Dorla Thurow and Barbara Baptist were elected to the league last year.

Six periods a day and for at least half an hour before and after school each day, the students and faculty members of Beloit High School find one of the school's busiest service groups at work. These fourteen students, the student librarians, are chosen solely on a voluntary basis to serve their fellow students.

The social events this year included a square dance and a picnic in the spring. From a nucleus of students in this group has sprung, during this school year, a discussion group which has proved very interesting to all who have joined. The group reads and discusses the classics and other worthwhile literature at a weekly meeting held in the homes of the members. Mr. Herreid is acting as co-sponsor of the group and has been a big help in the organization. Several students besides the student librarians have joined. It is hoped that the group will be bigger and more active in coming years.

MAJORETTE	<i>Elaine Luety</i>

Thirteen years ago a young man joined the Beloit High School faculty to become director of what was then just an average high school band. Little did the city of Beloit think that in a few years one of the finest high school bands in the nation would be their own senior high school band.

The band presented its 13th annual concert on March 18th and 19th. The concert numbers were all of a very difficult nature and it was believed by adults, students and critics, to be perhaps the finest pair of concerts ever to be presented by the Beloit High Band. Included on this year's concert were Symphony No. 4—2nd Movement, by Tschaiikowsky; Finlandia, by Jean Sibelius; and Overture—Merry Wives of Windsor, by Nicolai. Featured on this year's program were two of the outstanding seniors in the band. A cornet solo, Ballad for Evening, was presented by James Dix, and Gerald Brown presented a clarinet solo, Interlude, also by Morrissey.

During the first several months, the band spent almost entirely all of its time on the marching field working out difficult and attractive formations which were presented at home football games. This year the band made a trip to Madison where they presented a fine show.

At the close of the marching season the group began work on their annual winter concert. Along with this a great deal of individual and group musicianship was developed. During the spring of the year the members were busy preparing solos and ensembles for the contest on May 19th.

Throughout the past thirteen years the band has gained much recognition and today is known throughout the entire state and many parts of the nation, because of its excellence both as a concert group and as a marching unit. This year the band has added to this fine reputation; the members, as well as the students of Beloit High and the citizens of the city of Beloit may well be proud of this excellent organization.

football band and officers

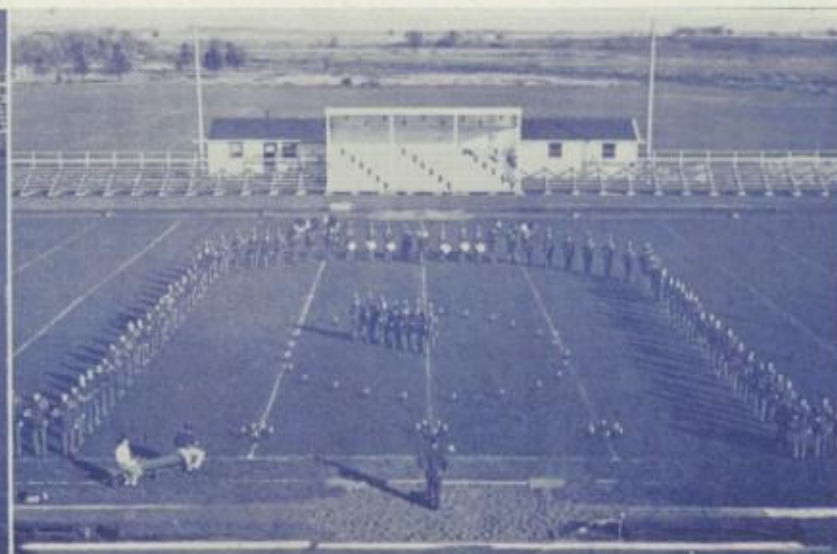

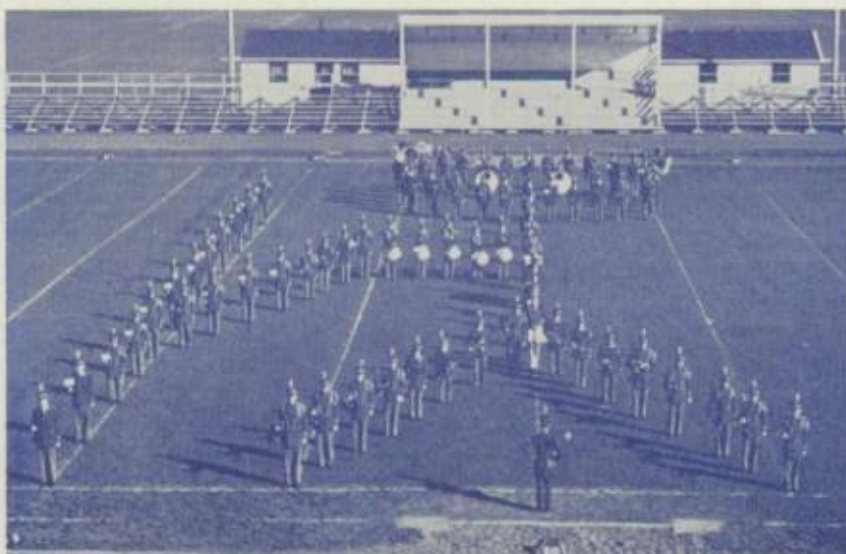

A new organization in the music department this year is our excellent dance band. The band was organized by Mr. Cuthbert, and was under the direction of Chorus and assistant band director, Mr. "Dutch" Scholtz. All business affairs were handled by Ron Bjorklund, who also fronted the band. Jerry Brown was student leader, Dick Anderson librarian and Jim Birkholz did an excellent job of taking care of their many properties.

The band has played for all dances after all home football and basketball games and also for many of the dances sponsored by various school organizations. They traveled to Milwaukee early in the year to hear Ralph Flannigan's band and with the orchestra to Belvidere to assist with the exchange program.

The band now has a complete set of stands and lights and by next year hope to have special uniforms for all members.

One organization which has functioned for a number of years, but has received very little recognition is the Basketball band. This band has played for all home basketball games. It has about fifty members who are the better players of the Beloit High School Concert Band. The band should be commended for the fine job they have done in providing music for all home games.

orchestra

Another fine musical organization in Beloit High School is the orchestra, which is also under the very capable direction of Mr. Donald B. Cuthbert. Although the orchestra is not as large as it has been at previous times, the performances are of an excellent quality, for to the orchestra member, it is quality rather than quantity that counts.

This year the orchestra, along with the Choral Department, presented their concert on May 15th, at Lincoln Junior High School. Several of the outstanding numbers on this year's program were *Procession of the Meistersingers* by Richard Wagner; *Moods Americana*, a new composition for orchestra, by Gerald Cumel; *Italian Symphony*, second movement, by Felix Mendelssohn; and *Humoreske*, a number for the strings, by Anton Dvorak.

The highlight of the year came when the orchestra traveled to Belvidere to present another exchange program. In reciprocation, the Belvidere choir presented a fine concert as the last assembly program in the Old High School.

Throughout the entire year, the members of the orchestra strive to develop the musicianship of the entire group as well as individually. A great deal of sightreading as well as musical interpretation is done by the entire group, and many records of famous musical groups have been audited, in order to help with their development.

Not only does the orchestra rehearse during a regular class period, but a number of noon and evening sectionals and rehearsals are held, which all members of the orchestra are required to attend. Following the Spring concert a number of the orchestra members entered the spring solo and ensemble contest held May 19th at Beloit High School. Most of them have been working on their solos or ensembles for part of the year along with regular lesson material and are at that time ready to present them in public.

Although the orchestra is seldom mentioned, its members should be praised for their continuous efforts to perfect the group. They should receive credit for the fine development and excellent performances. May we congratulate the members of the orchestra and especially Mr. Cuthbert for such fine work.

The varsity choir under the direction of Mr. Schultz gave two main performances this year. The first was the annual Christmas Concert given in December. The program was divided into two parts the first half consisting of religious numbers and the second half of the second half was an informal gathering of the choir to sing popular Christmas tunes. The scene for the latter part of the program was the living room of a family about to decorate their Christmas tree. Several choir members played the parts of the family giving a small skit.

The other big event of the year was the annual spring concert given on May 15. Some of the numbers on the program were: "Ai'na That Good News," a spiritual; several tunes from "Carousel," and "Skip To My Lou," a folk song.

The choir held two dances in Columbia Hall and sponsored a dance in the Community Room at the new high school to raise money to donate to the piano fund.

The officers for the year were Pres. Jim Dix, Vice Pres. Nellie Marshall, Sec'y Elizabeth Masters, and Treas. Ruth Vosburgh.

“those happy golden years”

In the fall of 1938, a group of happy and excited little boys and girls began the first of their 13 years in the Beloit Public Schools. Everything that year was new and different to them, for they began to learn to get along with others and to become associated with a few of the many new things they were to find in life. The six years that followed found still more new and exciting happenings around them at Todd, Wright, Strong, Merrill, Waterman, Burdge, Hackett, Royce, Cunningham, Gaston, and Parker. They began the long process of furthering their education in book knowledge as well as extra curricular activities. In these six years they became well acquainted with their fellow students for they stayed with the same group each year even though they changed rooms and teachers each new year.

The next three years were a big step in their advancement as they entered the two Beloit Junior High Schools, Roosevelt and Lincoln. Here many new friends were acquired in both fellow students and teachers. They became acquainted with many new students, not just in their own class but in the other grades of the schools. Social life began to increase with the many parties and the like, that were held for them to attend.

Inter-school relations developed through dances, basketball and football and baseball games, and track meets. At last came the most eventful day when they were ready to join the rival students from across town and become fellow students with them in the old high school on West Grand Ave. Here they became friends with those from every part of town.

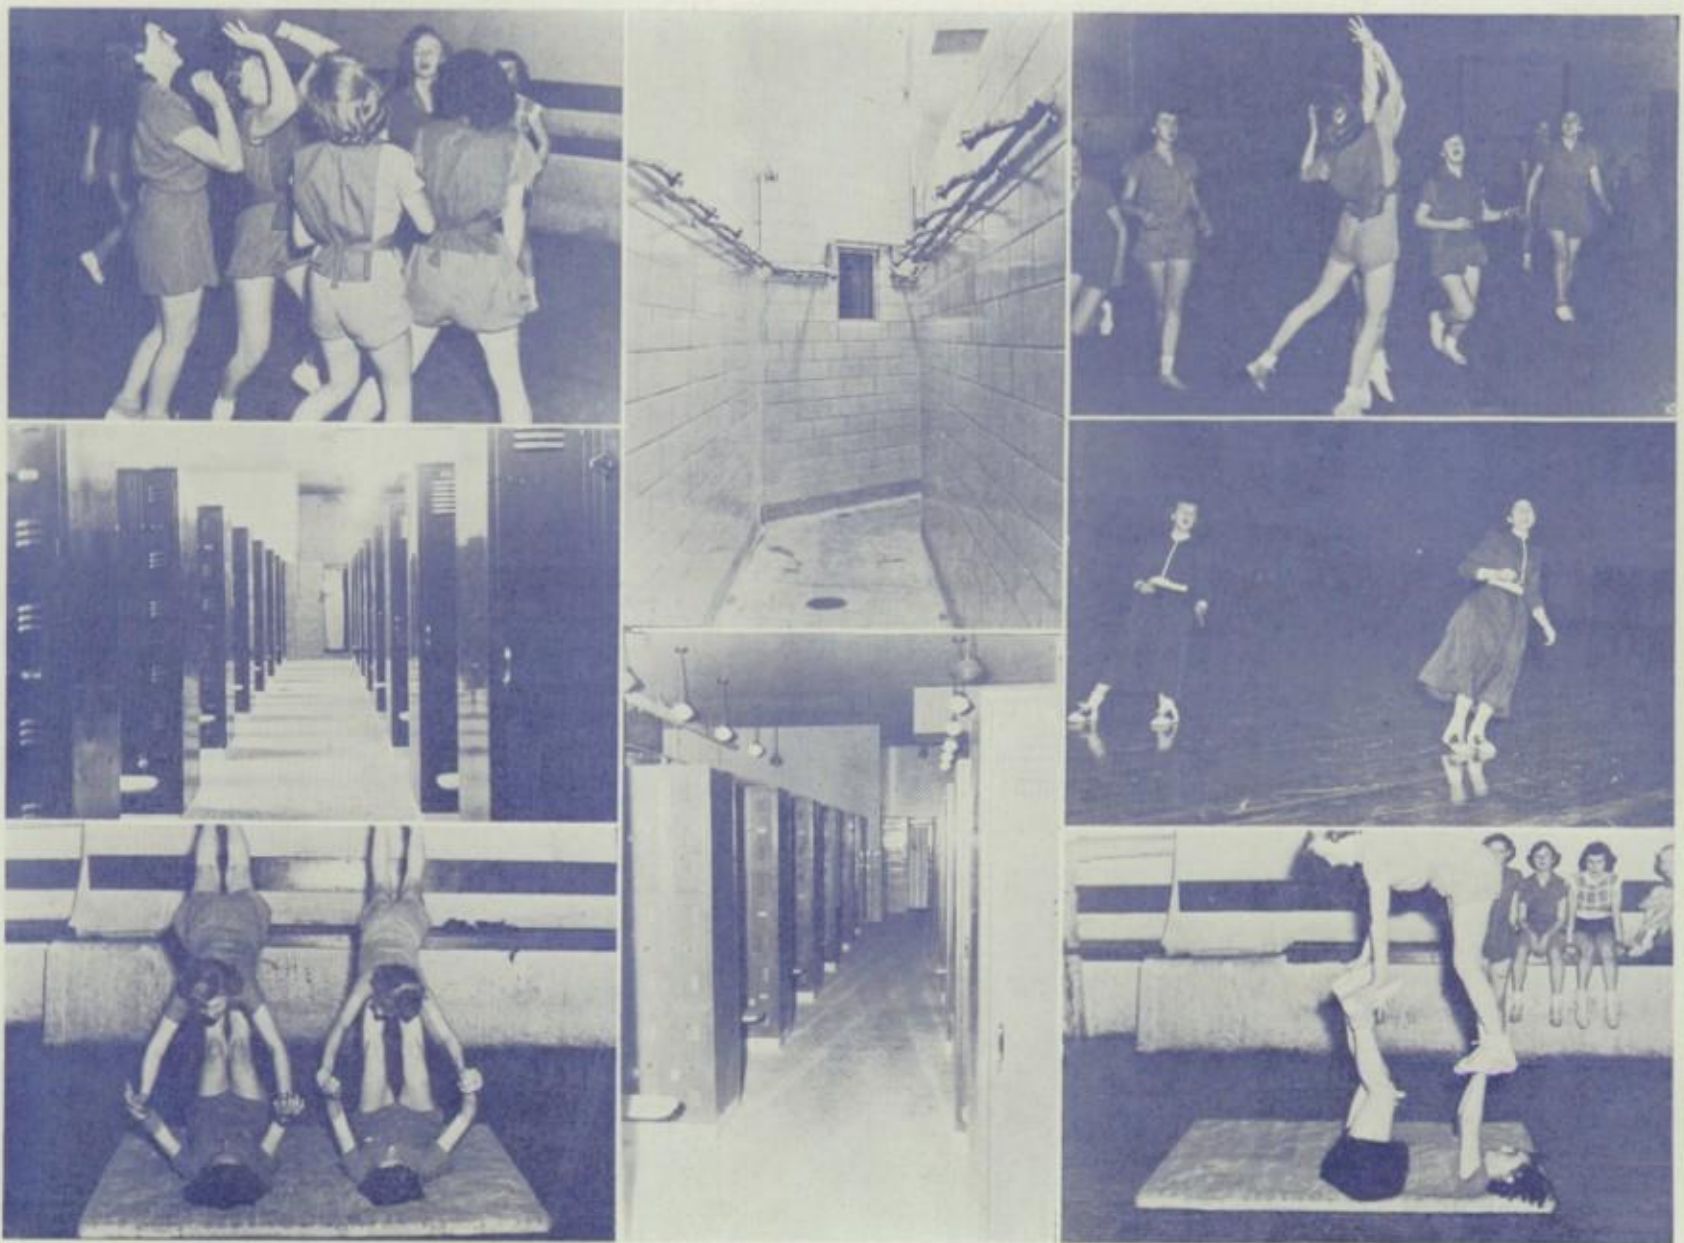

New social events were held such as formals, dress-up parties, and carnivals. Field trips were made to increase their knowledge in several fields. Two and a half years were spent in the old building but on March 22 of their last year they all packed up their books and other belongings for the last time, to return after an Easter vacation of several days to a new and completely modern school building on 4th Street. Everything was not yet completely finished but as the year progressed, progress was also made in the finishing of the finer points of the building.

The students worked hard for those 13 years and after many happy moments came May 29, 1951, the day they marched across the platform in the beautiful new gymnasium to shake hands with the President of the School Board and receive their diplomas.

At last they were on their own, many to go out to earn a living for themselves and others to go on to further their knowledge in the fields of their particular interest.

We hope that for the generations of students that will follow, the Public School System of Beloit, and especially the beautiful new high school, will hold as many enjoyable memories for them as it has for this class of 1951.

girls' sports

Because of poor facilities there was no G.A.A. organized in the old building and because of moving into the new building so late, it never got under way.

A few of the sports that we participated in were field hockey, speedball, tumbling, basketball, volleyball and baseball. To add a little variety we asked the boys to come up for a little square-dancing, which was enjoyed by all.

The pictures above show a few of the activities and our new lockers and shower room.

Among the many G.A.A. activities that began in September, girls' bowling took the lead. Rain or Shine, the girl's were at the Gateway Alleys every week to set new records.

The Beloit High School team was sponsored by the Moose Lodge and 55 girls participated in the 12 team league. During the scheduled season, the league bowled 33 games.

Beloit High Schools' 1950-51 edition of gridders, though green from lack of Big "8" experience, made a fair showing. They won three of their nine games, one of these being a non-conference game at Rockford East.

Along with this inexperienced team came a new coach in the being of Coach Ken Carrier. Coach Carrier has stepped in to fill the enormously large shoes of Coach Carl (Pill) Nelson, who has started a new coaching job at Beloit College.

George (Pud) Merchant, center and line backer on the team was given the honor of being elected team captain by his team mates.

Although starting out cold, the Beloit Gridders opened the season by defeating Rockford East 7-0, and went on to beat Madison Central 24-7, and Janesville 20-14.

However after victory came defeat. Madison West started a string of defeats by winning 28-6, Madison East 41-14, Kenosha 60-6, Racine Park 25-20, Racine Horlick 13-6.

Even after losing five out of seven conference games, great experience was gained by players and coaching staff. Coach Carrier will have a well balanced group of experienced players next fall and should turn out a fairly reputable team.

D. Schomber, P. Hendrington, K. Jacobson.

Beloit High's Sophomore football aggregation was quite impressive this season, with wins over Milton, Rockford East, Rockford West, and Evansville.

Bob Schwenke, Dick Gupton, Harry Gupton, and Gordon Gower were outstanding performers on this strong sophomore team.

Most of the boys on the first Sophomore team, however, were moved up to the J.V.'s, and helped this team to many of their wins.

The Sophomore head coach was Cliff Hertienstien, his assistant was Harold Noreen, both of these men did a fine job in turning out a winning Sophomore team.

BELOIT 7, ROCKFORD EAST 0

In a game of fumbles and incomplete passes Beloit High's Gridders came up with their first win of the season against Rockford East, the score was 7-0.

Frank Clark did the scoring for Beloit when he intercepted a flat pass on his own nine yard line, and raced the remainder of the field untouched to score the only touchdown of the game. Bill Bradford converted the extra point.

BELOIT 24, MADISON CENTRAL 7

Opening its season in the Wisconsin Big Eight Football Conference, Beloit High Gridders glittered as they downed their first opponent, Madison Central, 24 to 7.

Tarzan Honor started the race off with a 28 yard run off his left tackle. Later on in the second period Bill Ballou snagged a pass from Jim Edwards for 18 yards and a T.D.

Beloit started the 2nd half with a score of 12-0. Bill Ballou quickly started things rolling when he recovered a Madison fumble on Madison's own 4. After two tries, Edwards smacked over center for the 3rd T.D. of the game. In the fourth quarter, Beloit again recovered a Madison fumble, and from this point LaVerne Bradford took over to carry the ball down to the Central 2 where Edwards scored again on a sneak.

Central's only touchdown came on a 35 yard pass from Ray Disch to Gary Groth. Score 24-7. Beloit's conversions were missed because of tough luck in centering the ball.

KENOSHA 60, BELOIT 0

Alan Ameche and Company arrived in Beloit in full power, they were so fully primed that they gave the Beloit Gridmen the worst beating in the history of Beloit High School. With the first-string playing only a half and Ameche scoring twice, the Redmen from Kenosha racked up the overwhelming score of 60-0.

Carl Schuler was the only bright star on the team with his punting, Carl averaged 40.6 yards per try.

MADISON WEST 28, BELOIT 6

Madison West won its third game of the season against Beloit by a score of 28-6, to go into a tie with Kenosha for first place in the Big "8" Conference.

Glenn "Jack" Barry was West's main offensive threat, by scoring two T.D.'s, both by end swipes. The other T.D.'s were made by end Bernard Chartek, who intercepted a pass and Bob Nichus who recovered a fumble in Beloit's end zone.

Jim Finnegan, Beloit's hard running back scored on a 57 yard romp in the last quarter to give Beloit its only touchdown; the conversion was missed.

MADISON EAST 41, BELOIT 14

Madison East's Purgolders added another defeat to Beloit's list by defeating them 41-14. Beloit's gridmen held East to a 21-14 margin at the half time, but come the third quarter, East let loose and went on to score their victory. Jim Rurth was East's high scorer with two touchdowns.

Carl Schuler and Leon Bandy went over for the "Bulldogs." Schuler scored on a beautiful 67 yard sprint around right end, whereas Bandy broke through the line in a quick opening and scored untouched by any of East's men. Both conversions by Bill Bradford were good. Beloit did all of its scoring in the first half.

RACINE PARK 25, BELOIT 20

A slightly favored Beloit football team was defeated by Racine Park 25-20.

Racine drew first blood when Dick Sodlon went 29 yards around end for a T.D. From then on it was a see-saw battle.

Harold Johnson and Carl Schuler were the main offensive threats for Beloit, Schuler scoring on a 42 yard punt return, and Johnson bulling his way over from the 11. Jim Edwards scored the last touchdown on a 39 yard pass to Bill Ballou.

The entire Beloit line played a good game, stopping Park dead in their tracks three or four times.

HORLICK 13, BELOIT 6

Racine Horlicks Malted-milkers gave the Beloit High Gridders a 13-6 defeat in a closely fought game.

A series of fumbles and penalties gave Beloit serious set backs on numerous occasions and prevented their scoring the needed touchdowns to win.

Leon Bandy was the lone scorer for the purple Bulldogs, scoring on an end run. Bill Bradford missed the conversion.

BELOIT 20, JANESVILLE 14

"If we beat Janesville we'll have completed a good season," these were the words of Coach Ken Currier before the Janesville encounter. Well he got his wish, as did the boys whom he coached.

Beloit High's Gridders ran onto the field spirited and primed to the peak. On the opening kick off "Chuck" Schied, Janesville's receiver, was rushed so fast by Beloit's forward wall that he fumbled and was nailed far down in his own territory.

Beloit scored three touchdowns in the first half. Jim Edwards scoring first by a sneak, and Bill Bradford making the conversion. Leon Bandy bolted over from the 2, the conversion being missed. Harold Johnson scored Beloit's third and final touchdown on a slice off tackle, Bradford converting.

A pass from Frank Murphy to Bud Hoff gave Janesville its first T.D., and John Brodie barrowed over for the second, both conversions were good. Score 20-14 in favor of Beloit, and a season well ended for B.H.S.'s football team.

cross country

Kneeling, P. Hendrickson. Standing, B. Neahaus, K. Ocker, D. Green, D. Berner, J. Laws.

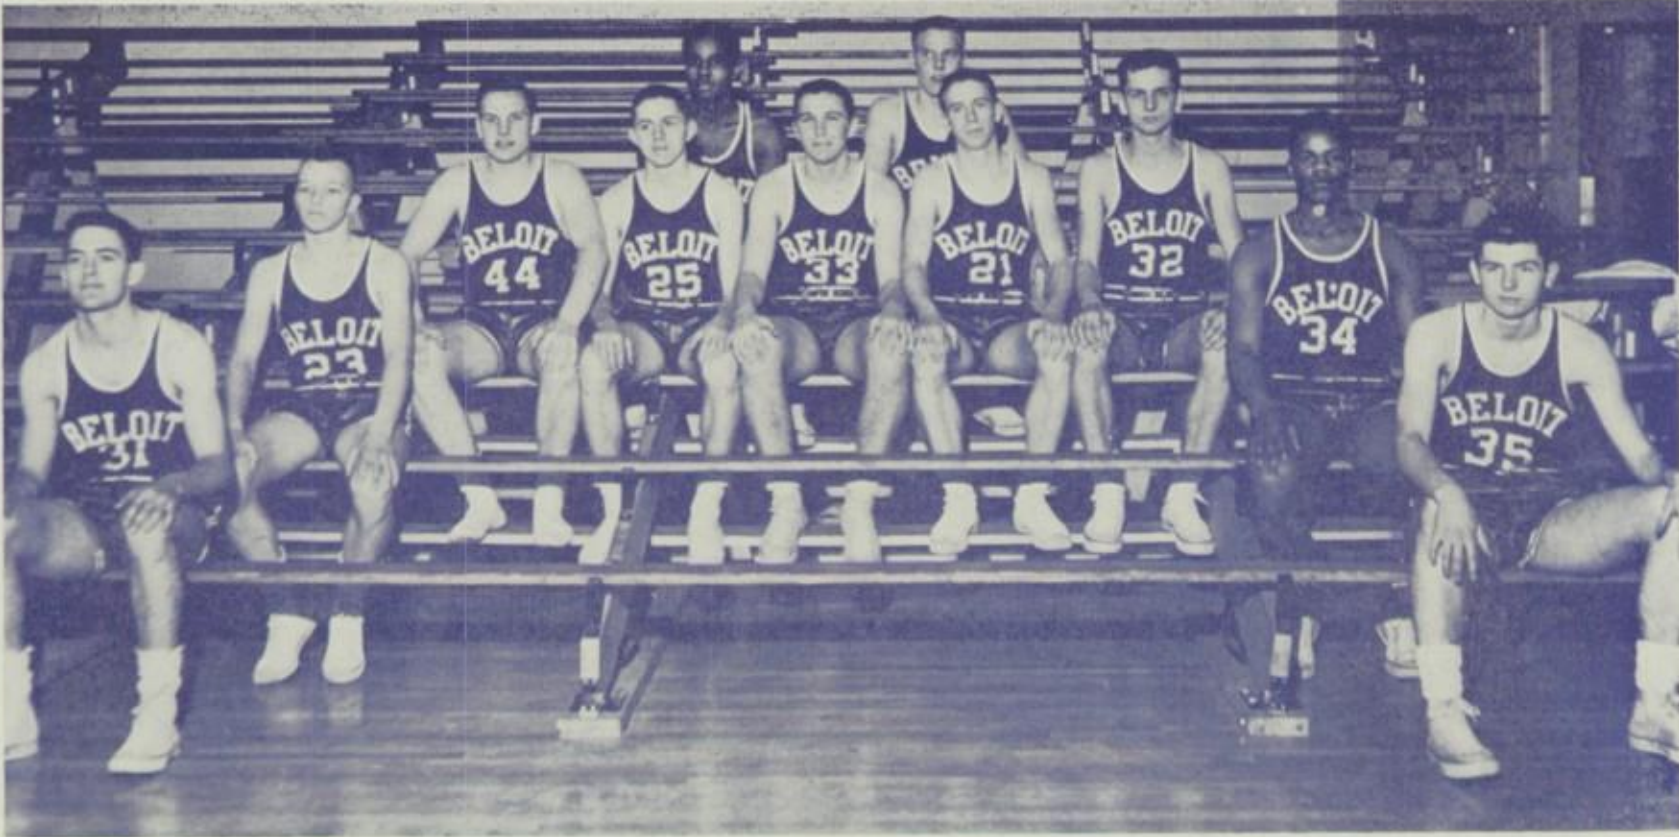

Coach Rensberger

Coach Bob Rensberger piloted his cross-country team to a successful season, having several men place in the State Cross-Country meet.

John Quinn, Joe Laws, Phil Hendrickson, Keith Martin, and Dick Berner all put in reputable performances during the season. Berner, a sophomore this year, should be the nucleus of next year's team along with Keith Martin who was a Junior.

John Quinn was elected captain of the Cross-Country team by his team mates. Quinn placed 7th in the state meet, turning in a fine performance.

varsity basketball

Left to right, C. Schuler, R. Weeden, G. Merchant, D. Green, P. Grady, L. Andrews, M. Hanson, R. McMillan, D. Toedt, F. Clark, T. Polaski.

A small, fast and highly spirited Beloit High basketball team came through the 1950-51 season with three Big "8" victories, but went on to its own Regional Tournament and came out second best only to Janesville in a very closely fought game.

Don Toedt was the top scorer for the Beloit team with 142 points in the Big "8" individual scoring column.

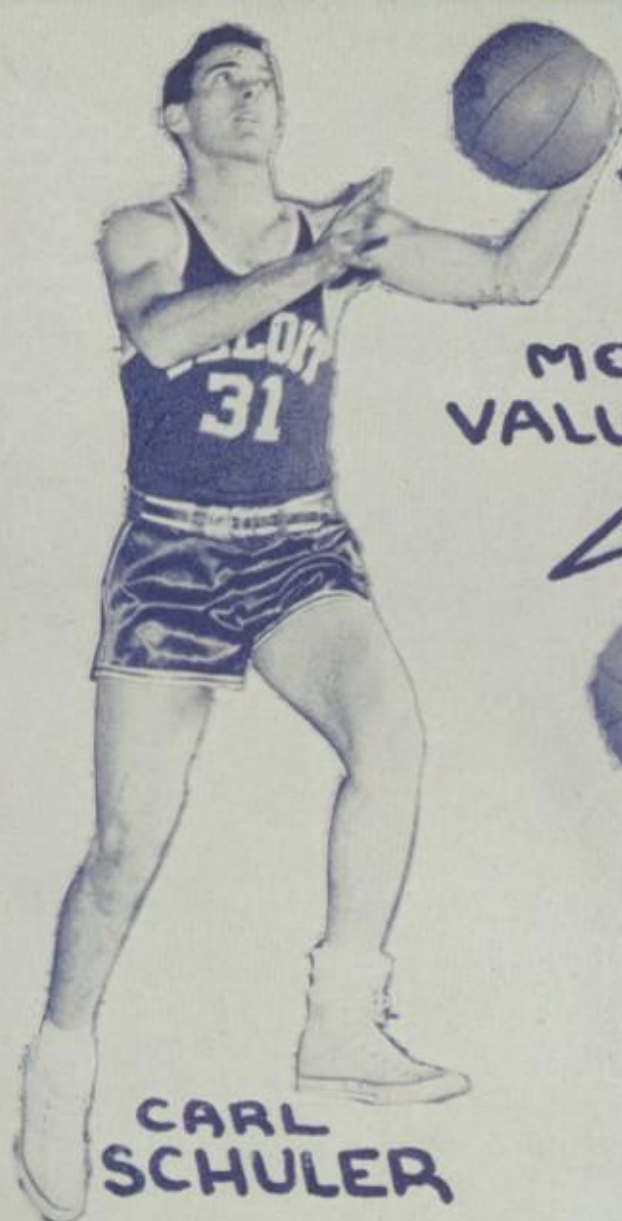

Marcus Hansen, six foot four center was a great help on rebounds, while Russ Hansen and Ray McMillan both played good floor games.

Russ Hansen was honored by his team mates by being chosen as captain of the 1950-51 edition of the basketball team. Hansen was also named on the Northern Illinois-Southern Wisconsin basketball team, as an outstanding player.

Don Toedt was equally honored by being named most valuable player. Toedt was also given mention on the all Big Eight Basketball team.

Beloit High's well rounded wrestling team went through a long hard season coming out second in the Big "8" Wrestling, and fifth in the state meet.

George Ruppert and Norman Edwards won firsts at the state meet, while Bob Allen, Bob Borgerding, Ron Curtis, Lonny Williams, Jack Stewart, Tarzan Honor, Jim Woodrow, and Richard Wilson all putting in reputable performances throughout the season.

Ruppert and Edwards were elected co-captains by their team mates.

wrestling champs

GEORGE RUPPERT

George Ruppert, a graduating senior, won first place in the state wrestling tournament in the 145-lb. weight class.

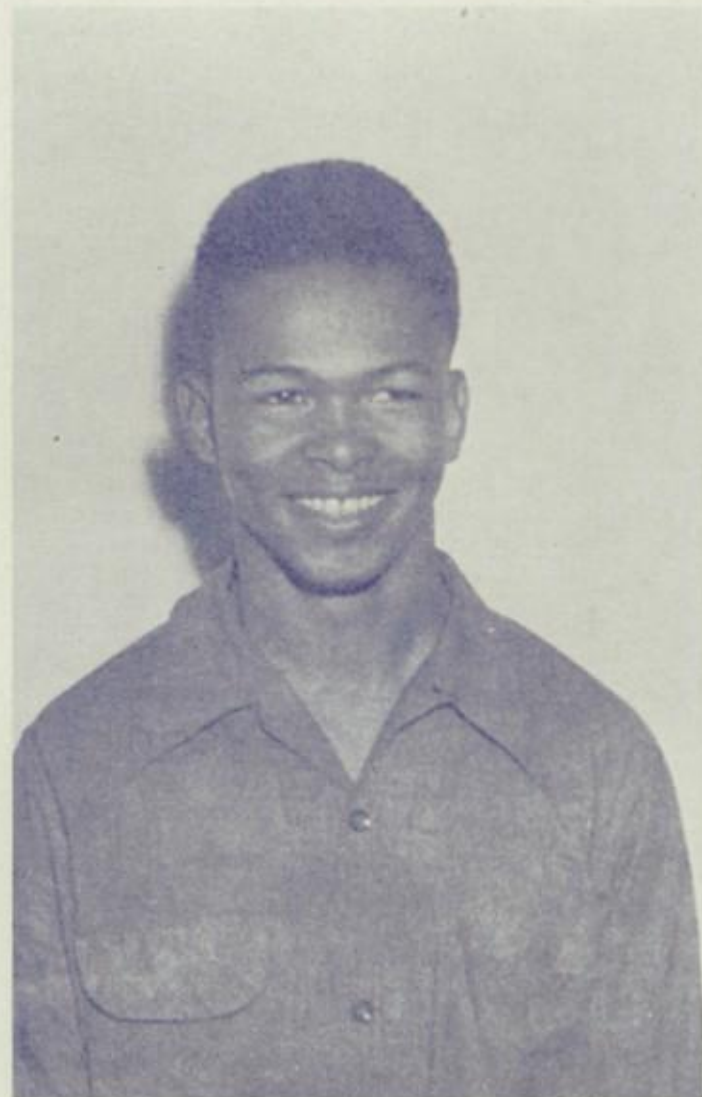

Ruppert, a veteran of two years, went from the sectionals, in which he defeated some good opponents from Madison East and Stevens Point, on up to the state tournament, where he defeated some of the best men in the state, including Tom Sherman from Racine Park 4-1 for the state championship in his weight class.

Congratulations are extended to you George for your fine performance.

Norm Edward, one of Beloit's top wrestlers for the past two years, has won the state championship in the 128-lb. class weight.

Norman, a graduating senior and winner of state recognition for the past two years, proceeded as expected from the sectional tournaments to the state tournament, where he defeated Carl Kopps of Milwaukee South 4-0 for the championship in his class weight.

Congratulations to you Norm on your fine performances.

Row I—D. Misner, R. Hall, B. Watson, B. Voss, J. Brom, G. Wittich. Row II—L. Williams, J. Carlson, D. Schomber. Row III—G. Gower, J. Vance, E. Fleener.

Coach George Wittich's Sophomore basketball team fared quite well this year despite the lack of height. They were in sixth place ahead of Madison East, Kenosha, and Janesville when their season came to an end.

Ronny Hall, Jerry Vance, Bill Watson, and Gordon Gower were mainstays of the sophomore squad. Hall and Vance were outstanding as guards, Gower and Watson were good around the buckets.

These boys should be a great help to the varsity squad next year.

Row I—J. Laws, B. Murray, T. Honor, B. Bradford, F. Clark, P. O'Neill, P. Hendrickson, J. Payne, L. Bandy.
Row II—J. McCarthy, T. Pratt, C. Crawford, D. Gupton, J. Brown, E. Girard, L. Williams, M. Hanson, R. Wells, T. Polaski, B. Watson, B. Neahaus, K. Ocker, P. Foster. Row III—D. Wuthrick, T. Ettner, D. Burton, G. Lomax, T. Thurman, D. Phetteplace, W. Simmons, R. Brunton, B. Bolgrien, L. Sanders, R. Brewster, J. Vance, L. Bradford, D. Berner, B. Berg.

A very well conditioned Beloit High Track Team had a successful season, under the coaching of Coach Paul Nee and Coach Ken Currier. Coach Nee had charge of the high jumpers, pole vaulters, broad jumpers, and weight men, while Coach Currier had charge of all running events.

Leading men in their respective events were as follows: Leon Bandy, Jobe Payne, Hurdles; Tarzan Honor, Bill Bradford, Bill Murray, Dashes; Frank Clark, LaVerne Bradford, 440; Joe Laws, Dick Berner, Half Mile; John Quinn, Jerry Brown, Mile; Gary Wolfe, Lonny Williams, High Jump; John Bottoms, Bill Murray, Pole Vault; and Tarazan Honor, Lonny Williams, Broad Jump. From the above, most of the men will be back to form the nucleus of next year's team.

Due to the fact that the Beloitian has been published early we were unable to compute the full season's record, but so far this season the track team has lost two very close meets, losing to Rockford West by two points and losing to Janesville by one point.

This writer would like to make some predictions on the outcome of the season, however, humble it may be: I expect to see Leon Bandy, Frank Clark, Tarazan Honor, Joe Laws, and Bill Murray to place well up in the conference meet and go on to take honors in the state meet.

Beloit High Schools' golf team fared well during the season, winning most of their dual meets. Coach Bob Rensberger was in charge of the team.

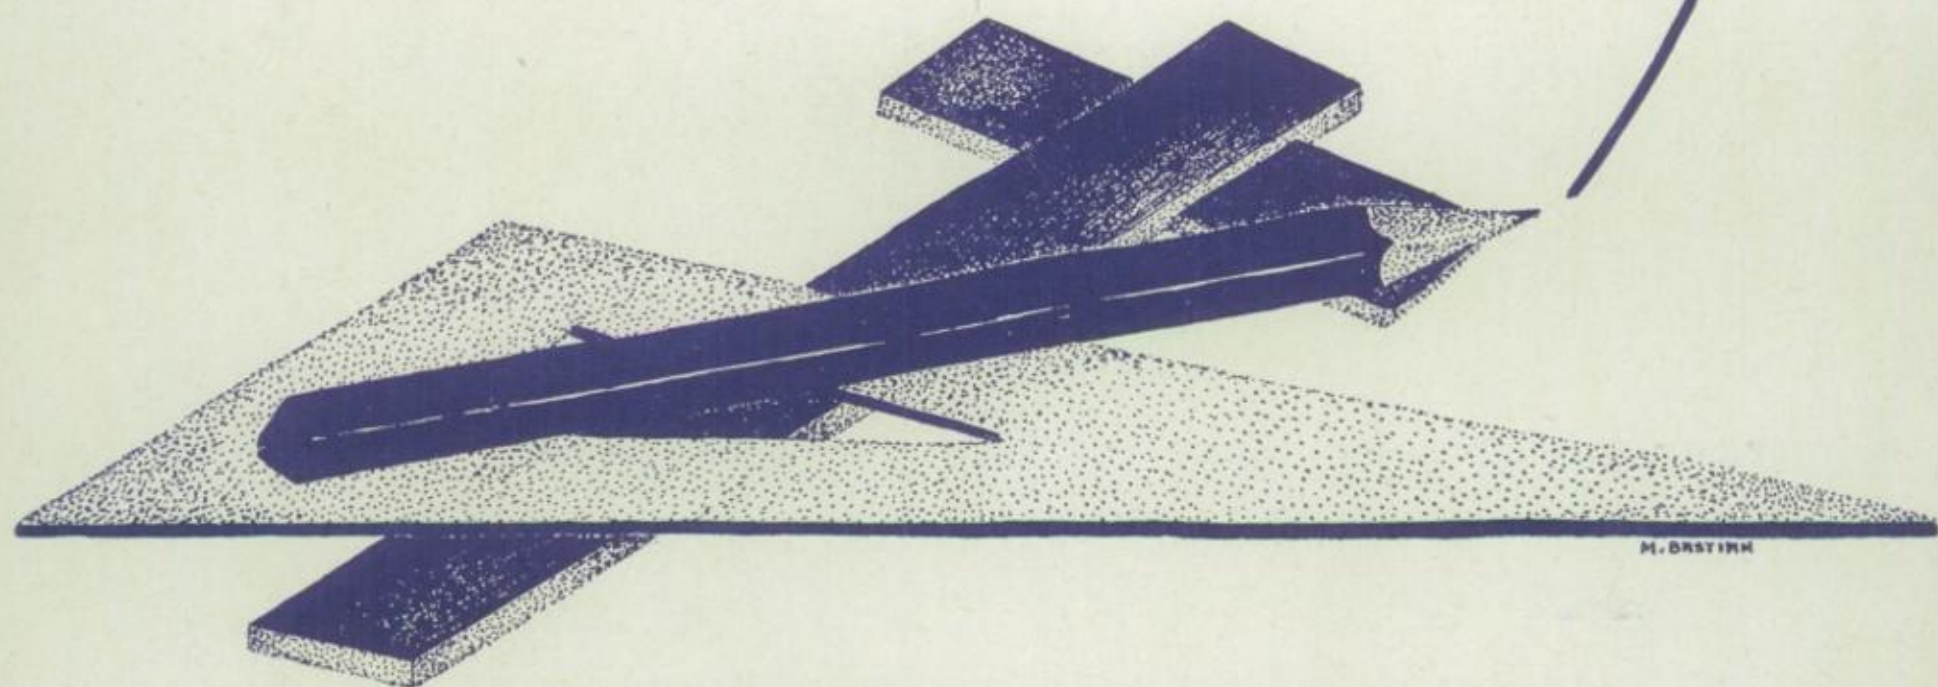

Vern Kuhlow, Jim Bolstead, Doug Rindfleisch, and Ronny Upward were the top four men on the team.

Kuhlow and Bolstead have won most of their meets. Kuhlow was number one man on the team and Bolstead was number two.

Due to the fact that the annual has been published early, we were unable to compute the full season's records, but thus far the team has put in a reputable performance.

Best Of Luck!

As you enter another phase of your life.

The next few years will be spent preparing yourself to take an active part in, that phase of the American way of life known as, the Free Enterprise System. Your future will depend upon how well you protect this very system that allows you to work at a job of your own choice, and keep the rewards gained through competition.
